

CAPABILITY STATEMENT

NAICS CODES: 541330 | 541370 | 541320 | 561730 - Small Business Enterprise

Columbia Engineering and Services, Inc. (CES) is a professional services corporation that provides transportation design, transportation planning, traffic engineering, water resources, landscape architecture, survey services, land development, construction inspection, and program management. Headquartered in Duluth (Atlanta Metropolitan area), Columbia also has offices in Winston-Salem, North Carolina and Knoxville, Tennessee. CES employs more than 60 talented project engineers, project managers, landscape architects, planners, surveyors, and technical support professionals.

DIFFERENTIATORS

- As a certified small business (SBE), we develop close working relationships with our clients. What sets us apart from others is that we genuinely care. It is a decisive factor in our success.
- Our clients will tell you Columbia's down to earth approach to business is founded on sincerity, concern for our clients, shared vision, thoughtful design, and true breadth of knowledge.
- Our reputation is based on being client-focused, solution-driven, safety-conscious and community-centered.

GDOT AREA CLASSES
